

CHAPTER 7

LIST OF PREPARERS AND REVIEWERS

The Juneau International Airport EIS was written and produced by a team composed of Federal Aviation Administration, SWCA, Inc. Environmental Consultants (SWCA), an independent, third-party consulting firm, and various companies and resource specialists under contract to SWCA. Under the guidance and direction of FAA, the EIS consulting team prepared alternatives, collected data for the analysis, assessed potential effects of the alternatives, and prepared other chapters with additional comment and critique from the cooperating agencies. The FAA has approved the content and analysis of this EIS. Tables 7-1 through 7-3 identify the agencies and most of the individuals involved in preparation and review of this EIS.
