

Juneau International Airport
BADGE APPLICATION—GENERAL AVIATION (GA) AOA:
Airport Security Gate/Door Access Rules

Name: _____ Date: _____

The following definitions shall apply:

“Restricted Areas” means those areas of the Airport where persons are not permitted unless authorized by Airport Management. Restricted Areas include all locations on the Airfield and in the Terminal to which access is controlled by any form of lock, and/or is restricted by signs or fence, or by the unfenced Airport property boundary.

“User” or “Badgeholder” means any person who is issued a JNU Airport badge by Airport Management, and has not let that badge expire, and whose authority to use the badge has not been revoked.

“Unauthorized Person” means any person who is not a User/Badgeholder, or who is a User/Badgeholder in an area not authorized by their badge.

“Escort” means to continuously accompany and monitor the activities of an Unauthorized Person by remaining within sight and within hearing range of the Unauthorized Person at all times.

All Badgeholders must be 18 years of age or older and agree to the following rules when receiving a badge/access card and using the Juneau International Airport security gates/doors.

General Airfield Rules:

1. Aircraft, emergency vehicles, and airfield vehicles have the right-of-way.
2. Users who are unsure of rules or regulations inside the perimeter fencing as it pertains to their use of the airport should contact Airport Police (321-3802) or Airport Management (789-7821) for further clarification.
3. Users shall take the most expeditious route between access gate/door and place of business, hangar or tie down. Vehicles and individuals are not allowed on runway or taxiways. No person or vehicle may be on the main ramp or transit between the east and west sides of the AOA unless authorized by Airport Management.
4. User is responsible for following the posted speed limits and other posted signs or regulations and restrictions while on the airport grounds. Failure to do so may result in fines and/or restriction from airport grounds.
5. All rules apply to the User and anyone they are escorting.
6. Anyone issued access (badge/proximity card) plays a part in the Airport Security Program and is responsible for contacting Airport Police (321-3802) if they believe a security rule or regulation has been violated.

Gate/Door Use and Access Rules:

1. SIDA, Sterile, and 135-AOA badges must be displayed at all times while in those areas. AOA (GA) badges must be produced upon request.
2. Badges/access cards may not be given out or loaned to anyone at any time.
3. User shall notify Airport Management or Airport Police immediately in writing if a Badge/access card is lost or stolen. The access will be de-activated and a new badge/access card may be issued. Badgeholder will be assessed the replacement badge/card fee.
4. All badges/access cards are good for up to one year. All badges/access cards will expire on the Badgeholder’s birthday unless renewed prior to that date, or an alternate date has been authorized by Airport Management. Badge/access cards automatically de-activate upon expiration.
5. It is solely the responsibility of the Badgeholder to renew prior to expiration to avoid interruption of access. The Airport does **not** send renewal notices.
6. User shall notify Airport Management or Airport Police immediately if they no longer have a need access to Restricted Areas. Badge/access card shall be returned to the Airport at such time.
7. Upon entering or exiting a gate/door, persons/vehicles must **STOP** and **WAIT** for gate/door to close prior to proceeding on. The exception to the rules is if there is more than one person/vehicle exiting the restricted area, the first person/vehicle may transfer the responsibility of the gate/door closure to the next person/vehicle exiting. The last exiting person/vehicle must ensure that the gate/door has closed behind them prior to leaving the area.
8. User may **escort** an Unauthorized Person through an access gate/door, provided they are escorted by the User **at all times** within the Restricted Area. Unauthorized Person(s) must also be escorted out of the Restricted Area.

9. Failure to follow proper access procedures or airfield rules may result in fines in excess of \$10,000 per incident. Both City & Borough of Juneau and Federal fines may be assessed to violators.
10. Badges/access cards are the property of the Juneau International Airport and may be confiscated or de-activated at any time the Airport believes that it is in the best interest of the security or safety of the Airport. The Airport may be directed by the Department of Homeland Security (Transportation Security Administration) to limit or close access into all or part of the airport perimeter during times of national emergency or heightened security threat levels. The Airport will make every effort to notify User of such occurrence.
11. User must report any malfunctioning gate or suspicious persons/vehicles within a Restricted Area immediately by notifying Airport Police (321-3802), Airfield Maintenance (789-4001) or Airport Management (789-7821).
12. User operates gates/doors entirely at their own risk and are responsible for the costs to repair or replace gates/doors or other property on the airport which they, or anyone they escort, damage; including their own vehicle/property.

Escort Authority:

1. Escort may only be performed by a Badgeholder in areas authorized by the badge type:
 - SIDA may escort in the SIDA, Sterile, 135 or AOA; if authorized (see #2 below)
 - Sterile may escort in the Sterile area only (no ramp privilege) if authorized (see #2 below)
 - 135-AOA may escort in the 135 or AOA areas only
 - AOA may escort in the AOA area only (general aviation area)
2. SIDA, Sterile, Sterile-AOA, and 135-AOA area badged individuals must be authorized to provide escort. Authorized SIDA and Sterile area individuals must display escort authority ("EA") on their badge. 135-AOA and AOA do not need this authorization on their badge but will still be trained in escort procedures.
3. Escort of Unauthorized Person(s) is only for those persons with a need to be in a Restricted Area, including:
 - Escort of contractor for repair or work
 - Escort of another employee during their training period
 - Escort of a (screened) vendor
 - Escort of a ticketed (and screened) passenger
 - Escort of emergency personnel, armed law enforcement or special security personnel
 - Escort for other reasons as approved by Airport Management
4. Know who you are escorting. Request photo identification (unless known) and request work credentials or paperwork (unless known).
5. Escort authority may only be transferred to another Badgeholder with escort authority for that area.
6. Escort is only for Unauthorized Persons, not for a Badgeholder who has lost/forgotten their badge.
7. Vehicles may be escorted under the same escort procedures.
8. Escort must notify the Airport or Law Enforcement of unusual activity or possible threatening situations.
9. Escort authority may be suspended or revoked by the Airport at any time. Escort authority is a privilege.

Challenge Procedures:

1. All Badgeholders are required to challenge persons in any Restricted Area. SIDA and 135-AOA badges must be displayed at all times while in those areas; AOA badges must be produced upon request.
2. Ensure that the individual has a badge or credential appropriate to the area that they are in. If they cannot produced a badge or credential, ask if they are under escort of another Badgeholder. If they are not under escort, challenger shall escort the individual out of the AOA and notify Airport Police immediately of any *intentional* breach.
3. Any badge or credential produced upon request must have a photo which matches the individual, and be current (not expired). Credentials include Federal Inspectors (FAA, TSA, U.S. Customs, etc.), Law Enforcement, and Airline crew (Alaska Airlines, Delta Air Lines, etc.).

I have read and acknowledge the rules associated with Airport Security Gate/Door Use Access Rules, Escort Authority, and Challenge Procedures.
