¹ This might contain some of present Dist 5 (Kake?).

² Borough created since 2002 population and territory added.

³ The census numbers for the above places differ from the Board's population for the district because the boundaries have changed for municipalities since 2002. It is presumed the additional population comes from existing Dist. 5.

⁴ This is the population shown on the Board's documents for Dist. 2

⁵ Borough formed since 2002
