Mr. Jones said the manager’s report referred to remainder of funds to be split between DOT and JIA, but there were no funds listed from JIA, and on this particular ordinance it referred to deappropriating any grant funds not received. Mr. Steedle said that at the time the report was
written the grant had not been received, but since that time CBJ was notified of receipt of the grant funds. Ms. DeLaBruere said the match for this grant was still to be determined and the FAA directed how it would be done, whether the local match would be “KFC’s” or through discretionary funds, so she awaited that direction. Mr. Jones asked if that meant the total dollar amount, $726,000, would be higher? Ms. DeLaBruere said as grants were issued from the FAA for a total amount, the master plan in this one, for example, would be a total of $750,000 with 93.75% covered by the FAA and the other percentage was split with DOT. Local match funds were through capital funds.

Hearing no objection, it was so ordered.

A. Late Filed Requests to Apply for Senior Citizen Hardship Property Tax Exemption

MOTION, by Dybdahl, to authorize the Assessor to accept Senior Citizen Hardship Property Tax Exemption applications of the following people as if timely filed: Jack Bodine, Sophie Frank, Sophie McKinley, and Aurelia Thibodeau.

Mr. Nankervis said that this program offered a break for people on their property taxes, and waiving the filing deadline was offering a break on a break. The applications were filed in August and September for a deadline of April. He suggested the Assembly look at this policy and consider a sliding scale in which the exemption would be reduced the later it was filed. He removed his objection.

Hearing no objection, it was so ordered.

XI. ASSEMBLY REPORTS

A. Mayor’s Report

Mayor Sanford said six members attended Southeast Conference and it was a good interchange of people in Southeast Alaska, turnout was very high with approximately 550 attendees. There were two reports issued at the conference on economic trends and maritime activities and he encouraged the Assemblymembers to review those reports.

Mayor Sanford thanked the Assemblymembers for their presence on Saturday to interview candidates and hire a city lobbyist. A contract would be signed within the next couple of weeks.

B. Committee Reports

*Human Resources Committee*: Chair Kiehl said the committee heard a report from the Youth Activities Board and recommended board appointments. Hearing no objection, Jeff Sloss was reappointed and Kelly Pajinaeg was appointed to the Youth Activities Board, with terms ending August 31, 2016.

Mr. Kiehl said the HRC wrapped up discussion on a fundraising policy for advisory boards, those boards, which did not hear appeals, distribute grants or run an enterprise. This policy would allow the advisory boards to raise limited funds, allow for a treasurer position, and allow them to do activities without approaching the Assembly for funds each time an activity was planned. It would necessitate a slight revision to the Assembly Rules of Procedure.

*Lands and Resources Committee*: Chair Smith said the next meetings were set for September 30 and October 28.

*Public Works and Facilities Committee*: Chair Wanamaker said the next meeting was set for October 14.

*Committee of the Whole*: Chair Becker said the next meeting was set for September 30.

C. Liaison Reports

*Juneau Convention and Visitors Bureau*: Liaison Smith said he attended the JCVB membership meeting and heard that JCVB would like to be able to provide input on the next Comprehensive Plan update and would also like to meet jointly with the Community Development Staff and Planning Commission.

*Alaska Coastal Rainforest Center*: Liaison Crane said CBJ was one of the founding members of the ACRC, which recently held a retreat led by the Foraker Group. ACRC was looking at how the membership on the coordinating committee should be determined and since it had become a fully functioning organization, was reviewing its administration and board membership. Members included the National Marine Fisheries, U.S. Forest Service, the U.S. Weather Service, National Oceanic and Atmospheric Administration – about 15 members including a Canadian member, making it a transboundary group. The question of whether CBJ
should maintain a seated membership on the board, or become an observer, was discussed. Mayor Sanford said he thought CBJ should maintain a seat. Ms. Crane said she agreed that it was important to ensure that scientific research was centralized in Juneau, however, consideration was being given for membership for those who contributed financially to the mission. UAS was contributing $50,000 per year, UAA and UAF both contributed. She did not think it was likely that CBJ funding would be available but said it was a decision to be made at a future date.

**Affordable Housing Commission:** Liaison Kiehl said the next meeting was set for October 1.

**Eaglecrest Board:** Liaison Kiehl said the next meeting was set for October 3. Season pass sales were going well.

**Campus Council:** Liaison Becker said the Campus Council had re-started meetings.

**Chamber of Commerce:** Liaison Becker said the next meeting was set for October 2.

D. Presiding Officer Reports

Mr. Jones said both pending appeals were proceeding in a timely manner.

**XII. ASSEMBLY COMMENTS AND QUESTIONS**

Mayor Sanford distributed an Assembly leave calendar and said he was looking for a retreat date, so asked members to make sure their leave dates were provided to the Clerk’s Office.

Ms. Becker said she attended the Remembrance Service on September 11 at Rotary Park and said it was a well done ceremony. Ms. Becker noted the passing of Jan Niemeyer, a beloved art teacher at Thunder Mountain High School and wife of Roger Healy, former CBJ employee, and asked all to keep them in their thoughts.

Ms. Becker reported on attending a candidate forum at Thunder Mountain High School.

Ms. Becker said that October 1 was the United Way Day of Caring and she thanked the city for allowing staff to participate on projects and thanked businesses for their support of social services in the community.

Mr. Kiehl gave his compliments for the 9/11 ceremony. He said he attended the Plumbers and Pipe Fitters Local 262’s 70th anniversary celebration in Juneau. They were the only local in the community with a training facility and they did a great job with many apprentices.

Mr. Kiehl said the UAS Board of Regents would be meeting in Juneau on September 26 and 27 and encouraged people to attend.

Mr. Kiehl noted that the Emergency Preparedness Expo would be held September 27 and 28 at Centennial Hall and was open to the public.
Mr. Smith said he would miss the farewell to Mr. Dybdahl at the next regular meeting and thanked him for his two decades of service on the Planning Commission and Assembly. He would miss his good counsel.

Mr. Nankervis said he had spent the last month visiting family and had missed some committee meetings, but participated in some others by teleconference and appreciated the time off. He said that regarding Ordinance 2013-11(L) for the DEC loan for treatment facility plans, it said that some of the project loan would be repaid with customer revenue. In the future, he would like to see an estimate of the customer contribution required when these type of actions arise on the agenda. He echoed Mr. Smith’s comments and appreciated Mr. Dybdahl’s 23 years of public service.

Mr. Jones reminded the Assembly of the Juneau World Affairs Council Canadian Forum and said that the activities would take place on October 17 – 19, and he encouraged Assembly attendance.
