DATE: September 12, 2013
TO: Human Resource Committee of the Assembly
FROM: Pamela Mueller-Guy, Chair
Americans with Disabilities Act—(ADA) Advisory Committee
SUBJECT: ADA Committee 2013 Annual Report

In the past year:

Our staff informed new committee members and reminded others of our purpose: advising and
aiding the city manager and assembly to carry out the goals and provisions of the Americans
with Disabilities Act as they directly relate to the City and Borough.

ACCOMPLISHMENTS:

We had ten meetings out of the year of September 2012-July 2013. The CBJ-ADA Committee seeks
applications for 2 seats from members of the public.

Following is a list of some of the issues we discussed:
-- Centennial Hall wheelchair ramp
-- Deaf card to notify police
-- Treadwell ice rink lighting around stairs
-- Pool water temperature

Committee members also received training in “People First” Language and about the Care-A-Van
transportation program.

Our most significant achievement of the year was developing and implementing City and Borough of
Juneau access survey, inviting local residents to alert us to potential barriers to accessing community
resources. We want to thank Deputy City Manager and A.D.A. Coordinator Rob Steedle for his
assistance in making this project a success. We look forward to analyzing the many responses and
working with the CBJ and other organizations to address citizens’ access concerns in the coming
months.

IN PROGRESS:

Welcome applications from all members of the public CBJ still needs community education on the
subject of disability awareness.

ACCOLADE:
Educating the public on ADA issues is never ending. Citizens of Juneau can turn to the committee for ADA information and a wide array of borough, state, and federal disability resources toward equal accessibility for all people.

Respectfully submitted,

Pamela S. Mueller

CBJ ADA Committee Chair
