CBJ Assembly Mining Committee seeks public members

The City and Borough of Juneau Assembly Mining Committee convened its first meeting today to answer the charge by Mayor Koelsch to return recommendations to the Committee of the Whole:

- What action(s) should be taken on the proposed mining ordinance?
- What public process should be taken regarding the proposed mining ordinance?

Chair Norton Gregory and members Maria Gladziszewski and Beth Weldon determined to add two Planning Commission members and two members of the public to the mining committee.

Persons interested in the public seats should complete an application form available in the Clerk's Office and on-line at: http://www.juneau.org/clerk/boards/applying_for_a_board.php

Applications should be submitted to the Clerk's Office no later than Monday, August 7, at 4:30 p.m. for consideration at the next meeting set for August 9 at Noon in the City Hall Conference Room. The work of the Assembly Mining Committee is anticipated to be completed by November, 2017.
