49.20.110 - Appeals to the Planning Commission.

- (a) Review by the commission of a decision of the director, may be requested by filing a notice of appeal stating with particularity the grounds therefor with the department within 20 days of the date of the decision appealed. The notice shall be considered by the commission at a regular scheduled meeting. The department and any aggrieved person, including the developer, may appear at that meeting and explain to the commission why it should hear the appeal. The appeal shall be heard unless it presents only minor or routine issues and is clear from the notice of appeal and any evidence offered at the consideration thereof, that the decision appealed was supported by substantial evidence and involved no policy error or abuse of discretion.
- (b) If the commission decides to hear the appeal, it shall announce whether it intends to review the entire decision, or merely a portion thereof and whether review shall be de novo or on the record. If the commission decides to hear the appeal, it shall give public notice thereof in a newspaper of general circulation in the municipality. The department shall prepare the record on appeal, which shall consist of the original application and supporting materials, written public comment thereon, and all notes, memoranda, minutes and other department material in relation thereto. The burden of proof in the appeal shall be on the party challenging the decision of the director. In a hearing de novo, proof shall be established by a preponderance of the evidence. If the appeal is heard on the record, argument may be heard, but no evidence outside the record shall be admitted and the decision of the department shall be upheld if there is substantial evidence in support thereof and no policy error or abuse or discretion therein. The commission may confirm, reverse, or modify the director's decision, or change the conditions which the director placed on approval. The commission shall support its action with written findings.
- (c) Upon its own motion, the commission may certify a case directly to the assembly without review, hearing or recommendation.
