

Are you feeling buried in paper?

Do you receive a monthly CBJ Utility Bill through the mail?
Did you know you can get that same bill emailed to you instead?

It's easy to sign up for an e-bill AND you'd be helping the environment at the same time!

Email cbj.utility@juneau.org, include your service address, the name on the account or the account number and click Send.

It's as easy as that!
