INFORMATION RELEASE  
April 7, 2017

## **Egan Drive water main replacement starts Monday** *Underground utilities work to impact traffic*

Starting Monday, contractors for the City and Borough of Juneau will be replacing the water main along Egan Drive between Whittier Street and Main Street. Underground utilities work will impact traffic and may cause excessive noise.

Southeast Earthmovers will be working from 6 p.m. to 6 a.m. Monday through Saturday up until May 15. Work will start near the Merchant's Wharf and head toward Centennial Hall. DOWL is the inspector for the project.

During that time frame, the public can anticipate some traffic revisions on Egan, like lane closures and detours, so please drive cautiously.

In addition to the water main replacement, some sewer work is taking place in front of the Sheraton Four Points Hotel.

For more information, contact CBJ Project Manager Paul Beck at 586-0882, Southeast Earthmovers' Mitch McGraw at 738-8057, or DOWL inspector John Scott at 209-2717.
