MISSION STATEMENT

By analyzing information related to the preparedness and response of the CBJ, AEL&P, and the public to the recent loss of hydroelectric power from the avalanches, prepare a report that recommends actions and promotes preparedness in the face of a similar event that might disrupt services that are essential to the community.

AGENDA #2
2 July 2008

I. Introductions

II. Adopt Minutes for meeting of June 25, 2008

III. Review and Discuss Contractor Activities
