## HARBOR RULES & GENERAL INFORMATION

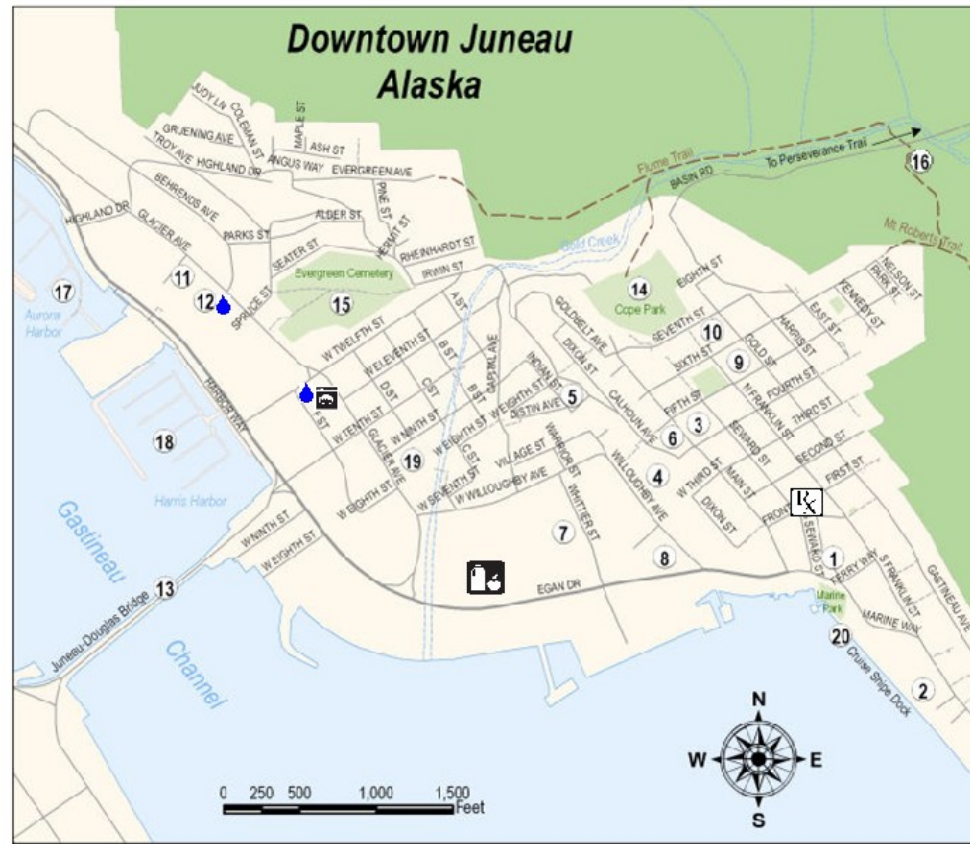

- Vessels may not exceed a speed of 5 nautical miles per hour within the inner harbors.
- Transient vessels must register with the Harbormaster office within 8 hours of entering the harbor.
- To the extent allowed by safety considerations, harbor lights, vessel deck lights and all bright lights shall be directed away from the shoreline.
- The use of sodium, crab, flood, and other associated high output lighting is prohibited within the harbors except during daylight hours.
- Loud noise of any type will be limited to the hours of 7am-10pm.
- Pets shall be on a leash and under control of the owner at all times.
- Pet owners must clean up any and all waste produced while at the Docks and Harbors facilities.
- No riding of bicycles, motorized vehicles, skateboards or similar devices are allowed on any municipal float.

## AUKE BAY LOADING FACILITY (ABLF)

- Use of the drive-down loading float is by reservation only. The time limit is 2 hours. Contact the Statter Harbor Office at 907-789-0819 to make a reservation.
- Vehicle access on the float shall be for vessels tied to the dock when active loading is taking place between vehicle and vessel.
- Due to limited parking space only captains can purchase a monthly parking pass. They are limited and issued on a first come-first serve basis.
- Call the Harri's/JMS for boat haul-out & storage information: 907-463-5250
