Under the authority of CBJ Ordinance Title 85, the Docks and Harbors Board is proposing to amend regulations set out in the Title 05, Chapters 15, 20, 25, and 40 of the CBJ Administrative Code affecting moorage fees at all facilities, summer and winter management periods at Statter Boat Harbor, and moorage assignment procedures.

Copies of the proposed amendments are available on www.juneau.org, at the City Clerk’s Office, the CBJ Libraries, or any of the Harbor Offices. The Board recommends that harbor patrons carefully review the amendments since they affect how much it costs to moor a vessel in the CBJ harbor system.

The Board is accepting written comments on the proposed regulations until 430 PM on November 2, 2006. Mail comments to the Port Director’s Office at 155 S. Seward Street, Juneau, Alaska, 99801, fax them to (907) 586-0295, or hand-deliver them to one of the Docks and Harbor Department Offices.

The Board is holding four public hearings at the Assembly Chambers at City Hall: September 14 at 500 PM, September 28 at 700 PM, October 19 at 500 PM, and November 2 at 700 PM. The Board intends to take final action on the regulations immediately following the November 2 hearing. This action is not expected to cause an increased appropriation of general funds by CBJ.
