JSC Soccer Camp 2018

Purpose

Our camp emphasizes individual skills, basic fundamentals and techniques, team play, and overall well-being in a positive teaching and learning environment. Our approach to coaching and instruction focuses primarily on teamwork, sportsmanship, leadership, self-confidence and improvement. *Effort over results* will be emphasized.

The camp is also about a lot more than just improving your game! Every camper has the opportunity to meet new friends in a positive environment where success is measured by effort and teamwork and not by winning and losing. While the JSC camp strives to challenge each and every person, we want to preserve the enjoyment of attending camp during the summer. Our goals are to teach and instruct, but also and more importantly, to provide a fun and exciting soccer atmosphere at camp.

Camp Staff

Instructors at the JSC Soccer Camp will include Camp Director Matt Dusenberry, current Juneau Soccer Club age group coaches, current high school players, as well as Juneau collegiate players.
