PROPOSITION NO. 2

AUTHORIZATION TO RENEW A TEMPORARY 3% AREAWIDE SALES TAX EFFECTIVE JULY 1, 2012, FOR A PERIOD OF FIVE YEARS ONLY, INTENDED TO BE USED FOR CERTAIN PURPOSES AS SET FORTH BELOW.

Juneau currently has a permanent 1% sales tax, a temporary 1% sales tax, and a temporary 3% sales tax. The temporary 3% sales tax is automatically repealed on July 1, 2012. The total of all CBJ sales taxes is currently 5%.

This ballot proposition would continue the current 3% temporary sales tax for an additional five years, until June 30, 2017. Accordingly, if this proposition is approved, the total sales tax rate would remain at 5%. This proposition would also continue the Assembly’s intended allocation of the temporary 3% sales tax revenues as follows:

1% police, fire, street maintenance, snow removal, EMT/ambulance service, parks and recreation, libraries, and other general purposes;
1% roads, drainage, retaining walls, sidewalks, stairs, and other capital improvement projects; and
1% allocated annually by the assembly among capital improvements to include water and sewer system extensions, an emergency budget reserve, youth activities, and other general public services.

PROPOSITION NO. 1
MUNICIPAL OFFICIALS FINANCIAL DISCLOSURE

Shall municipal officers and candidates for elective office of the City and Borough of Juneau be exempt from the requirements of the State of Alaska Public Official Financial Disclosure law (AS 39.50) and be subject to, instead, the Public Official Financial Disclosure law adopted by the City and Borough of Juneau Assembly in Ordinance 2011-13(c)?

PROPOSITION NO. 3

GENERAL OBLIGATION BONDS
GROUND SOURCE HEATING SYSTEM AT
AUKE BAY ELEMENTARY SCHOOL
$1,400,000

The proposition would authorize the issuance of $1,400,000 in general obligation bond debt for paying the cost of a ground source heating system at Auke Bay Elementary School. This project qualifies for 70% State reimbursement under the State’s School Construction Bond Debt Reimbursement Program. The funding for the State’s reimbursement program is subject to annual appropriation. If the State fully funds the reimbursement program, the total annual debt service costs after State reimbursement, assuming an interest rate of 3.5%, will be $50,500. This amount of debt service would require an annual property tax levy of approximately $1.21 per $100,000 of assessed value. This example of a property tax levy is provided for illustrative purposes only.

For the purpose of funding a ground source heating system at Auke Bay Elementary School, shall the City and Borough of Juneau, Alaska, issue and sell its general obligation bonds, maturing within 10 years of their date of issue, in the aggregate principal amount of not to exceed $1,400,000?

PROPOSITION NO. 4

GENERAL OBLIGATION BONDS
REPLACING THE TURF SURFACING AT
THE ADAIR KENNEDY MULTI-USE FIELD
$1,190,000

The proposition would authorize the issuance of $1,190,000 in general obligation bond debt for paying the cost of replacing the turf surfacing at the Adair Kennedy multi-use field. This project qualifies for 70% State reimbursement under the State’s School Construction Bond Debt Reimbursement Program. The funding for the State’s reimbursement program is subject to annual appropriation. If the State fully funds the reimbursement program, the total annual debt service costs after State reimbursement, assuming an interest rate of 3.5%, will be $43,400. This amount of debt service would require an annual property tax levy of approximately $1.04 per $100,000 of assessed value. This example of a property tax levy is provided for illustrative purposes only.

For the purpose of replacing the turf surfacing at the Adair Kennedy multi-use field, shall the City and Borough of Juneau, Alaska, issue and sell its general obligation bonds, maturing within 10 years of their date of issue, in the aggregate principal amount of not to exceed $1,190,000?

PROPOSITION NO. 5

AN INITIATIVE PETITION TO AMEND THE CITY AND BOROUGH CODE
TO ADD A TAX OF $.15 PER BAG ON ALL PLASTIC SHOPPING BAGS
PROVIDED BY CERTAIN RETAILERS AT THE POINT OF SALE

Shall the CBJ code be amended to levy a tax of $.15 per bag, collected from certain retailers, for each plastic shopping bag provided to a shopper? The ordinance proposed by the petitioner’s committee would define a plastic shopping bag as those bags made of lightweight synthetic material commonly provided free of charge to shoppers by retailers, and defines a retailer as a business offering to the general public groceries, hardware, liquor, or sundry items with annual average gross sales over the last five years of $15,000,000, or more.
