PROPOSITION NO. 1
GENERAL OBLIGATION BONDS
$25,000,000

Explanation
This proposition, if approved by the voters, would authorize the issuance of $25,000,000 in general obligation bond debt for paying the cost of renovations, construction, and capital improvements to the facilities of the City and Borough, including the airport terminal, Aurora Harbor, the Capital Transit maintenance shop, Eaglecrest Learning Center, and Centennial Hall and other parks and recreation facilities.

The total annual debt service costs, assuming an interest rate of 3.8%, will be $1,798,000, expected to be paid in 2013 through 2017 from a temporary sales tax, if Proposition 2 is approved by voters at this election. Beginning in 2018, for a period of 15 years, a property tax levy of approximately $39.00 per $100,000 of assessed value would pay the remaining debt service.

If the temporary sales tax in Proposition 2 is not approved by the voters, debt service on these bonds would require an annual property tax levy of approximately $42.00 per $100,000 of assessed value beginning in 2013, for a period of 20 years.

PROPOSITION NO. 1
Shall the City and Borough of Juneau, Alaska, issue and sell general obligation bonds, maturing within 20 years of their date of issue, in the aggregate principal amount of $25,000,000, for the purpose of paying for renovations, construction, and capital improvements to the facilities of the City and Borough, including the airport terminal, Aurora Harbor, the Capital Transit maintenance shop, Eaglecrest Learning Center, and Centennial Hall and other parks and recreation facilities?

PROPOSITION NO. 2

TEMPORARY 1% SALES TAX
Authorizing Extension of a Temporary 1% Areawide Sales Tax, Effective October 1, 2013, for a Period of Five Years.

Explanation
The City and Borough of Juneau currently has a permanent 1% sales tax, a temporary 1% sales tax, and a temporary 3% sales tax, for a total sales tax rate of 5%. The temporary 1% sales tax will expire on September 30, 2013. This ballot proposition, if approved by the voters, would continue the current 1% temporary sales tax for an additional five years, until September 30, 2018, and the total sales tax rate would remain at 5%.

It is the intent of the Assembly of the City and Borough of Juneau that taxes collected under this proposed extension of the temporary 1% sales tax shall be appropriated for the following purposes:

- Major maintenance, improvements, and upgrades to existing:
  - harbor facilities;
  - CBJ recreational facilities, parks, and trails; and
  - Capital Transit facilities;

- Partial funding for design, permitting, and construction of:
  - an airport snow removal equipment facility;
  - the Juneau Arts and Culture Center facility expansion;
  - a new library facility at Dimond Park;
  - a water filtration system at Salmon Creek; and
  - a new child and adolescent mental health facility at Bartlett Regional Hospital;

- Partial funding for the Sealaska Heritage Institute’s construction of a cultural education facility in downtown Juneau;

- Increase the CBJ Budget Reserve, as recommended by the Fiscal Policy Task Force; and

- Payment of the first five years of G.O. Bond indebtedness, if Proposition 1 is approved by the voters. If Proposition 1 is not approved, Centennial Hall and Aurora Harbor Capital Improvement Projects would be funded.

PROPOSITION NO. 2
Shall the City and Borough of Juneau, Alaska, levy and collect, according to the sales tax code, a temporary 1% areawide sales tax on the sale price of retail sales, services, and rentals, effective October 1, 2013, for a period of five years ending September 30, 2018?
